

Lifetime Warranty

Drain-Net Technologies warrants its Grease Gutter line of roof top grease containment systems and exhaust fan SuperHinge™ hinging systems for the service life of the ventilator for which it was originally installed on. To register a Drain-Net product for warranty, simply fill out this document and return to the address located at the bottom of the warranty document.

Drain-Net will repair or replace at its option any **Grease Gutter** or **SuperHinge** system returned to it during the warranty period. Any damage caused by misuse is not covered by the warranty. Drain-Net's liability shall not exceed the purchase price paid to Drain-Net for the system. To begin a Warranty Claim, contact Drain-Net Technologies. at 1-844-564-9216.

Use of any material other than genuine Drain-Net Technologies filters is not recommended and will void all guarantees associated with the Grease Gutter System. Any system not maintained to minimum specifications shall have its warranty voided. Minimum specifications can be obtained by calling Drain-Net, but it is at least one new Fill-More Grease Boom change a year.

All implied warranties of merchantability and fitness for purpose are excluded. There are no warranties which extend beyond the description on the face hereof. Purchaser's rights to any incidental or consequential damages are hereby expressly excluded.
