ADJUSTABLE DRAIN GUARDS

Aluminum Adjustable Drain Guard

Sized to fit all drain openings. Lock out stones and debris with two quick twists of the wrist and prevent costly drain clogs for decades to come. Sturdy cast aluminum dome and stainless steel hardware that withstands extreme conditions.

Key Features:

- Features sturdy cast-aluminum dome and stainless steel hardware (18" dome is cast iron)
- Choice of 5 Drain Guard diameters, 5", 8", 10", 13", and 18"
- Fits most drain openings from 2 1/2" to 8" ID
- Installs quickly & easily without tools
- Simply turn the strainer to expand the scissors to tighten within drain

Installation Instructions:

- Turn strainer to expand scissors to approximately the inside diameter of the existing drain
- Insert unit in drain, positioning it so the bottom of the strainer is just above the surface of the roofing material
- Turn the strainer to further expand the scissors, until tight

BEFORE EXPANSION

SCISSORS EXPAND TIGHT TO INSIDE OF DRAIN

DRAIN GUARD OPTIONS
