

**As the basket fills up,
water flows through the sides**

FLOOR SINK BASKETS

DRAIN STRAINERS

- Prevents flooded floors, calls to the plumber, drain jetting and costly repairs to piping system
- Many sizes and styles available including durable plastic, stainless steel, and disposable.
- Works for floor drains, floor sinks, and we even have special strainers made for trench drains.
- We can also customize strainers to your specific application. To learn more, visit: customstrainers.com

Not all baskets are created Equal!

- Don't get stuck with old baskets that only have holes in the bottom.
- Captures solids in a basket instead of clogging your drain lines or grease trap.
- Our baskets feature **Slotted Sides**, so when the basket fills up, water flow doesn't slow down!
- Optional **Safety Handles** for easy removal so employees don't get exposed to broken glass.

Many sizes and styles available including stainless steel, plastic, domed, baskets with flanges, and replacement grates.

Ruler provided to measure your drains!

JANITORIAL

Mop Basin Strainer

Don't let your mop sink get clogged! This mop sink strainer (with disposable filters) will filter out dirty mop water, mop strings, trash, and other debris that can clog your drains.

Coordless Floor Dryer Cone

Marking the boundaries of the wet floor area with safety cones or other types of barricades serves to warn pedestrians, but does not alleviate the hazard. That's why we offer the Cordless Floor Dryer which dries the floor with a continuous flow of air in 360 degrees and up to 15 feet in diameter. While drying the floor, it also warns pedestrians of a potential slip hazard using standard 36 inch floor cones.

WOW! Stainless Steel Cleaner

Keep your stoves, sinks, refrigerators, and all stainless steel surfaces clean and shiny by using our **WOW! Stainless Steel Cleaner!** It eliminates fingerprints, grime and grease, while being safe for your kitchen environment.

Ice Machine Mold Control

Ensure the ice you are serving your customer is safe and clean! Our systems eliminate mold, reduce cleaning time, and extend the life of your ice machine!

FRUIT FLY ELIMINATION

The Drain Defender product line uses proprietary compounds that will combat: Fruit Flies, Grease, Grime, Fats, Oils, Molds and Malodors. Our Defender products consist of all-natural, eco-friendly proprietary compounds that will not damage your pipes or drain systems.

FRUIT FLY STRIP: Instantly eradicates fruit flies!

DRAIN FOAM: Cleans fruit fly breeding grounds with advanced microbial-cleaner that expands into crevices.

DRAIN BRUSH: Best commercial drain brush on the market. Features 36" flexible wire and poly ball guide to clean those hard to reach curved drains!

STOP DRAIN ODORS

Traps provide a physical barrier between a building and the drainage system. Unfortunately they often do not receive enough drainage to maintain the water seal. This exposes your facility to dangerous sewer gases, odors, fruit flies, and pest infestation. Drain-Net offers the most effective solution to this problem with Green Drains Super Seal.

- One way valve creates seal to eliminate floor drain odor issues and blocks noxious gasses
- Prevents bugs from crawling up through floor drains
- Prevents the spread of dangerous bacteria that can come up from sewers causing potential health hazards.

What's being washed down your drains?

DRAIN LOCKS

Drain Locks and Replacement Covers

Frustrated with people shoving things down the drain? Lock them out with a drain lock! Don't let employees or night cleaning crews use your facility drains as the easy way to dispose of dirt, trash, and debris.

Don't put your plumbing system at risk any more. We have drain locking solutions and replacement covers for any application.

What Will The Risk Cost You?

Protect your drains and floor sinks from unwanted debris and cut your plumbing expenses!
